Who we are

MACSEYE was set-up by Melbourne Archdiocese Catholic Schools (MACS) to provide high-quality outside school hours care and early childhood education, where children can thrive.

We are integrated with your school community to create a service that feels welcoming and connected.

Our service philosophy

Our program is based on Australia's school-age care framework, **My Time, Our Place**, and guided by our philosophy that children learn and grow best when they feel safe, supported and valued.

We believe that every child deserves to be seen, heard and involved.

This means:

- Children have a say in what they do.
- We respect each child's individuality.
- We create a space where everyone feels they belong.
- We take the time to get to know each child's interests, strengths and needs.

Child safety

Your child's safety is our top priority.

We are committed to providing a safe, respectful and supportive environment for every child.

Our approach ensures:

- Compliance with the Victorian Child Safe Standards.
- Qualified and caring educators.
- Safe staff-to-child ratios.
- Clear supervision and sign-in/out processes.
- Strong child safety policies and practices.
- Inclusive environments where all children feel welcome.

We take all concerns seriously and work closely with families to support each child. Visit our website for more details about [child safety](#).

About the program

Our OSHC program is flexible and designed around your child's day.

We balance active play, creativity and rest so children can enjoy their time in a way that suits them.

What your child can expect

Choice and voice

Help shape the program by sharing their ideas and interests.
