

ST. MARY'S SCHOOL, ALTONA

EDUCATION BOARD

PURPOSES OF THE BOARD

The purposes of St. Mary's School Board are:

1. To be an advisory and support group which helps to establish common goals for our Catholic school
2. To ensure the Catholicity of our school is maintained in the values it holds and expresses and in the way in which the school is organised
3. To promote teamwork and the taking of shared responsibility for our school amongst priests, principal, teachers, parents and students.
4. To help build the school community and foster the development of school programs which support the catholic values established in the home.
5. To facilitate communication between the school management team and the St. Mary's community.
