

Emmanuel College Latest News

As Term 2 draws to a close, we reflect proudly on the many ways our students have achieved their personal best – academically, in sport, and through meaningful contributions to the wider community. The term was marked by commitment, compassion, and curiosity, as students embraced opportunities to grow and give back and here are some highlights:

Community and Social Justice

- The St Vinnie's Winter Sleepout saw students and staff brave the cold, raising over \$1,700 for those experiencing homelessness. This powerful act of solidarity highlighted our community's generosity and empathy.
- In a demonstration of unity and respect, members of our College participated in The Long Walk for Reconciliation at the You Yangs. This meaningful journey underscored Emmanuel's dedication to walking together in the spirit of reconciliation and understanding.

Enrichment and Academic Engagement

- Year 8 EMBRACE students were treated to sessions of classical music in the library during reading time – a unique initiative that promoted relaxation, enhanced cognitive function, and inspired a deeper love of reading.
- Students in Years 9 to 12 showcased their linguistic and performance skills at the prestigious Dante Alighieri Poetry Recitation held at the University of Melbourne.
- Students from Years 8 to 10 explored future possibilities at the Annual Trade Expo, gaining valuable insight into a range of career pathways and industry opportunities.

Winter sport trials are now underway, and we proudly celebrate students' achievements in sport, competing individually or in teams they have shown resilience and strong sportsmanship. These diverse experiences reflect the vibrancy of life at Emmanuel College. Whether through service or self-development, our students continue to shine and embody the College's values in all they do.

We look forward to even more achievements and meaningful moments in Term 3.
