

## Emmanuel College Latest News

On Friday 25 July, finalists from both campuses represented the College at Melbourne University for the 2025 Italian Dante Poetry Competition. Having competed against over 2,000 Italian students across the state, only 200 were selected to progress to the finals and our students were among them. Emmanuel College had the most finalists out of all the schools competing. It was fantastic to see their efforts recognised on such a prestigious stage. A remarkable achievement by all students involved. Congratulazioni.

### ***Year 6 Transition Activities at Emmanuel***

At Emmanuel College, we support Year 6 students as they prepare for secondary school with a range of fun and welcoming events. Earlier this year, the Amazing Race helped students connect with peers from other schools who will be joining them in Year 7.

This week we hosted the Music Discovery Night which was an interactive evening where students got to explore a range of instruments. As well as discover the many possibilities within Emmanuel's vibrant music program and learn more about how music can become a meaningful part of their school journey.

In August, we'll host a Fun and Games Night, offering students a chance to reconnect, meet staff, and get to know the school environment. These events help support the transition and build excitement for starting at Emmanuel.

### **College Tours**

Join us for a College tour where you will have the opportunity to see the school in action. Student-led tours provide the forum for you to ask questions of the young people who live and breathe life at the College every day.

Registration and more details are available via the College website: [Register here](#)
