

10<sup>th</sup> March, 2023

Another activity filled week at Emmanuel College, has seen Interschool sport being played by students at both campuses in the SACCSS and ACC competitions, with all teams demonstrating outstanding support and encouragement for all competitors.

At St Paul's Campus this week Year 12 students headed off for their retreat where they heard from inspiring speakers, undertook study technique sessions, planning workshops and a range of positive interactive activities. We also welcomed Dr Janine Biggin our new College Principal to her first Meet the Principal event, where she met families and future students and then our current students took families on a tour.

At Notre Dame Campus we will have a Meet the Principal event this week and our Year 7s head off to their camp at Portsea. We look forward to hearing great stories about the adventures had and new friendships made.
