

LIFE TO THE FULL

**Emmanuel  
College**

13/8/2021

Social issues and community outreach are important concepts what we are constantly working to inform our students about at the College.

This year NAIDOC Week fell during the school holidays, so we had a belated celebration all week last week. Students participated in activities around Aboriginal Culture, learning about population statistics of indigenous Australians and famous Aboriginal People, such as Albert Namatjira & Neville Bonner. This work provided a continued growing insight into the cultures and lives of Australia's First Nation's People.

There are also many opportunities for students to participate in community support of outreach programs at the College. This term we have already raised much needed funds for Joseph's Corner, as well as having three coming events for the term – COVID restrictions permitting – for different charitable causes or awareness events.

Please note that we are rapidly approaching the **closure of applications for Year 7, 2023**, which occurs on **Friday 20 August, 2021**. A Prospectus Pack containing an application form can be requested via the College website, [www.ecmelb.catholic.edu.au](http://www.ecmelb.catholic.edu.au) under the Enrolment Information tab, by emailing [enrolments@ecmelb.catholic.edu.au](mailto:enrolments@ecmelb.catholic.edu.au), calling the College Registrar on 8325 5119 or coming into reception at either of our campuses once restrictions are lifted. It is important to note, that if you have a child in Grade 5, that it is essential that you lodge an application to be considered for a place in 2023, even if you already have children in older year levels at Emmanuel.
