

14th October 2022

It is a very exciting time for the young people of the College with the Year 12 Graduation mass being held at St Patrick's Cathedral last Friday evening, followed by a dinner at the Sofitel. It was terrific to see young people about to embark on the next stage of their lives being celebrated together. Now those celebrations are over, the Year 12s are knuckling down to the last week or so of school, revision and study as they head into their exams.

In other news, we have recently launched the 'Harmony Gardens' project where we have a garden at our Notre Dame Campus that belongs to each of our feeder primary schools and in some of those schools there is a reciprocal Emmanuel College garden. The gardens are tended to and maintained by students from Emmanuel and the feeder schools in a partnership, with students from the primary schools visiting Emmanuel and Emmanuel students visiting the primary schools to work on the gardens together. This project continues to build on the sense of community that exists between Emmanuel and our feeder primaries.

The next College experience for families to enjoy is the annual Twilight Talk & Tour to be held at each campus, registrations for these events are essential and can be made by clicking on the Tours and Events tab on the right-hand side of the homepage on the College's website, www.ecmelb.catholic.edu.au Details of the events are as follows:

Notre Dame Campus - Tuesday 8 November, 2023 - Commencing at 6.00 pm

St Paul's Campus - Tuesday 15 November, 2023 - Commencing at 6.00 pm

We hope to see you at an event soon.
