

19th November, 2021

In some wonderful sporting news, the junior golf team from SPC won the ACC Division 1 gold championship held at Northern Golf Club. A terrific effort competing against some elite schools.

In other great news, we have been able to welcome the girls from our primary feeder schools back on campus at NDC for G.I.R.L. Crew. Many thanks to our partner – Our Patch, a leading provider of OSHC programs for their commitment to this partnership. This program has grown from 8 students at the beginning of the year to 28 being involved during Term 4. This a very engaging and student voice driven program that we plan to continue into 2022.

Over the last two weeks we have conducted the Twilight Talk & Tour events for each campus with more than 40 families logging onto these virtual events to watch a short video and then have a Q & A session with our student ambassadors. As always, the feedback about the manner of the students has been brilliant. We look forward to hosting all of our events on campus in 2022.

Please continue to check the tours and events page of the College website, www.ecmelb.catholic.edu.au for details of next year's events.

We can't wait to have you back on site.
