As we approach the end of what has certainly been another challenging school term, we all remain hopeful that there is some restriction easing that occurs in coming weeks to allow us all to do the things we love with the people we love. It's a great time to keep our positivity high and celebrate the great things, a perfect example of this was the Year 7 camps that occurred earlier in the year. As a reminder of the great times we all have had, please use the links below to view a video of both camps. We are very much looking forward to doing some more of these sorts of adventures when we open up again.
