

2<sup>nd</sup> September, 2023

As mentioned last week, we recently celebrated the Year 8 Science Fair and as you can see in the photos the students were very excited to present their work and engage with their families about the projects that they had undertaken. It is always an exciting time when the students lead the communications with their families about their learning and we can have families onsite, it really fosters that sense of community that we hold dear at Emmanuel.

We have also just had the Annual Arts Showcase, and look forward to seeing photos of that event in next week's article.

As we close in on the holidays, we would like to thank all of our feeder schools for your interest and participation in our many engagement activities, such as; the Amazing Race, Grade 4 Experiences and the Year 7 Roadshows to name a few. These activities all form a valuable part of the easing of anxieties for students when they are thinking about their start to secondary school.

Please note that **applications for enrolment for Year 7, 2024 closed on Friday, 19 August, 2022**. If you have a child in Grade 5 and wish to be considered for a place at the College for your them in Year 7/2024, but have not yet applied, it is essential that you contact the College Registrar by emailing [enrolments@ecmelb.catholic.edu.au](mailto:enrolments@ecmelb.catholic.edu.au) or calling on 8325 5119 as a matter of urgency.

We hope to see you at one of our tours or our next experience event in November.
