

LIFE TO THE FULL

**Emmanuel
College**

5/8/2021

This week our students had the opportunity to participate in a virtual version of our VCE / VCAL Information Night. This was a great opportunity for our young people to find out more about courses that interest them and which subjects they may need to study based on their desired career choice. They also have the opportunity to work with our careers leaders and be a part of the leading edge mentoring program in this area.

A final reminder that we are holding a Virtual Information Morning for each of our campuses this coming Saturday. Registrations are essential and can easily be made via the tours and events tab on the right hand side of the homepage of the College website, www.ecmelb.catholic.edu.au We would love to see you
