

## **Emmanuel College News: 11<sup>th</sup> June**

As we find ourselves back in the all too familiar remote learning cycle, once again we are amazed at the resilience and agility of students and staff in schools, these skills will be extremely valuable for students as they get older.

Notre Dame and St Paul's students participated in the Emmanuel College 'Great Debate', a debating competition between the two campuses. Student in Years 8 – 12 represented their campus and debated various topics throughout the day. The participants, teachers and Debating Association of Victoria (DAV) adjudicators thoroughly enjoyed the event.
