As we roll through Term 4, there are some exciting things happening, such as our Virtual Parent Information Evening for incoming Year 7s on Wednesday 21 October, and the Remote Games Night for Year 6 students coming to Emmanuel that you will hear all about next week. All of a sudden, things are happening everywhere.

Even though we were in remote learning for all of Term 3, at Emmanuel, it was still a vibrant and active term with lots of learning and activities in which students were involved. Please find the EC News Quarterly magazine link below where you can enjoy seeing what the College was up to.
