

## **Emmanuel College News: 1<sup>st</sup> April**

As we work our way to the end of the term, it has been terrific to reflect on the way that students, teachers and families have worked together to get back into the routine of school life. There has been plenty achieved this term, from camps and retreats, to parent presentations of school work and pastoral care initiatives.

We have had the Amazing Race and the G.I.R.L Crew activities with our wonderful partners – Our Patch – leading and innovative OSHC providers.

Last week we welcomed our students and parents involved in the Year 11 Nexus Mentoring Program to an information night where they heard from students involved in the program last year and from mentors. The program has grown from 14 students in 2020 to more than 60 in 2021.

We would like to wish everyone a safe and enjoyable Easter break and well-deserved school holidays and we look forward to working with our feeder schools and families again in Term 2.

Lastly, just a reminder that applications are now being accepted for Year 7, 2023 and they close on 20 August this year. Prospectus Packs containing an application form can be requested from the College website, [www.ecmelb.catholic.edu.au](http://www.ecmelb.catholic.edu.au) under the enrolment information tab, or by contacting the College Registrar, [enrolments@ecmelb.catholic.edu.au](mailto:enrolments@ecmelb.catholic.edu.au) or calling on 8325 5119.
