

In the unusual year we have had it is important to acknowledge the Year 12 students who are moving into their last weeks of secondary school. Their GRIT, determination and willingness to embrace the challenge of this year has been remarkable and we know that our future is in safe hands with these future leaders.

We wish them well and encourage them to live 'Life to the Full' and take up every opportunity that they are offered. As one group prepares to finish formal classes, we are excited about the return of students in Years 8 – 10.

The building program at Notre Dame Campus continues to progress well, with the Tennis courts and sports podium area approaching completion for use soon and the new library and staff areas on track for opening in the middle of 2021. Very exciting times at the College.

St Paul's Campus is excited about the pending return of students in Years 8 – 10 and resumption of the Hot Shots Tennis Academy which operates out of the new courts there.
