A massive welcome to our families. We have had such an amazing start to term two and looking forward to what is coming. Term one provided us time to get to know all the children through group and one on one discussions. This gives us the opportunity to plan our experiences based on getting to know and understand our new and existing families. This has allowed us to base our program according to the children, allowing them to express themselves, whilst also building and maintaining trusting relationships with students and educators. The children were also given the opportunity to communicate their interests through drawing, writing and conversation. This allows the children to explore the different forms of communication whilst also feeling a sense of belonging and support from the people around them.

What's Happening: Big Art Competition

Big Artists, it's time to transform your most imaginative LEGO designs from paper to an actual model. Sketch your dream creation, submit your masterpiece, and stand a chance to see it come to life, crafted by the hands of Brickman himself.

We are so excited to announce that from **April 15th - May 24th** we are celebrating children's creative talents and skills in our OSHC, the winners will be announced on May 21st. Our expert panel will select 40 winners including 1 grand prize winner! Winners will receive a LEGO Classic Creative Fantasy Universe set valued at \$150! Plus, the Grand prize winner will receive a 32cm x 32cm finished LEGO model of their artwork, created by Brickman!

What's Coming Up?

Mother's Day is a special occasion where we celebrate the love and bond between mothers/special person and their children. So, spend the next week with us celebrating Mum with the activities planned and programmed to surprise your Mum with something special such as paper flowers, cards made with love, beaded jewellery and so much more!!

Wishing our families a special day with the special women in our lives.

Connor and Issabella
