**OSHC.**

**ROCKETEERS**

Last week our theme was Kings and Queens where the children were able to participate in a range of fun activities. They were given the opportunity to design themselves as if they were a king or queen and build their own castles out of cardboard. Our main highlight experiences included our big art competition, hair salons and café role play with Lego and play money.

Over the next week we will be focusing on music which the children have been showing a huge interest in this term. We have planned some exciting experiences including musical statues, musical chairs and music-based trivia. Our arts and craft activities are making your own microphone, paper cup drums, and many more!

We would also like to emphasise the importance of booking and/or cancelling OSHC. If you have booked your children in for After Care, please let them know before school. In the case of a late booking please ensure you let the classroom teacher know. Updates/bookings can be made through the Parent Portal. We can be contacted by call or text on 0438 052 938.

Just a reminder of the Pupil Free day on Friday June 7<sup>th</sup> following to the King's Birthday long weekend. Please remember to book for the whole day service online.
