October 8th, 2021.

Hi All,

Grace and I had been planning on having a picnic this week to welcome the children back at OSHC. Unfortunately with the latest government announcement over the holidays this will have to wait until later in the month. We are really looking forward to seeing everyone.

Over the holidays Grace and I were collecting items for our "recycling box". With not many children attending we did something slightly out of the normal and emptied the whole recycling box onto the carpet and said "go for it" and "that they did". The look on their faces was priceless!! They chose the items randomly and let their imaginations take over and transform the recycling pieces to reach their desired outcomes. It was great to see that they shared their ideas and offered to support each other to enhance the experience.

If you have access to a printer, there's a website called "supercoloring.com", it has a huge range of free printable colouring pages available, downloading is optional or just print off. It has pages on just about every topic and age groups.

Take Care

Grace and Liz
