St Mary's Primary School Altona

Your
OSHC.

Hello St Mary's Altona families and friends.

Just a reminder we will be running a Pupil Free day on Friday August 16th. Please remember to book for the whole day service online on your parent portals.

We have been seeing so many new faces in Before and After school care. We look forward to seeing all the new friendships that come to the children in our care.

The main theme we focussed on this week is the Olympics! The kids have been creating paper rings chains with Olympic and country colours to display during the Olympic season. We have also been running and participated many fun competitions including tunnel ball, discus, bean bag toss where the winner received trophies and prizes!

Over the next week we will be looking at emotions and completing activities through communication, arts and crafts, and physical education. This will include team building games, finger knitting and crochet, friendship and lots more.

We continue to emphasise the importance of booking and/or cancelling OSHC. Please let us know on 0438 052 938. If you have booked your children in for After Care, please let them know before school and in the case of a late booking, let the classroom teacher know. Please use your Parent Portal for any updates/bookings.
