

On Monday 12th of September from 9am till 11pm Westbourne Grammar are hosting a beach clean up at Altona Beach. They would love some support for their initiative.

On the day they will supply gloves and rubbish bags, and they will also be hosting a bake sale. They will be selling treats such as cookies, cupcakes, and brownies for \$3 or less, so they would love for as many people as possible to get down. Even if someone doesn't have the time or ability to do a clean up, they can still offer support by buying something at the bake sale, as all our profit goes to The Australian Marine Conservation Society, which not only advocates for the issue of sea pollution, but a variety of others as well.

Although they aren't a part of the same school community, they do share our local community that we all need to take care of.
